

SHAILDEVI MAHAVIDYALAYA, ANDA, DURG

Recognized by NCTE New Delhi & Affiliated to HemchandYadav University Durg (C.G)

Institutional Distinctiveness

Corona awareness program:-

Our college conducted an awareness programme to stop the misconceptions going around corona virus in India. The college declared that every students and faculty members should wear mask in college premises and made it compulsory for all along with that we distributed mask to all the students, teachers and people of nearby villages and also conducted various webinars and seminars and also it was compulsory for all the students and teachers to attend the awareness programme.

Personality development:-

Personality development helps us gain recognition and acceptance from the society as well as people around. Personality development plays an essential role not only in an individual's professional but also personal lives. It makes an individual disciplined, punctual and an asset for his/her organization. We provide extra classes for Personality development to teach strategies and frameworks for personal growth, goal setting, and self improvement.

Self defence:-

Our college is providing classes of martial art 1 hour daily to make students learn about self defence especially for girl students because in today's world there is a need to learn self defence techniques for self protection.

Competitive exams:-

Our college encourage students to learn beyond university syllabus. We provide extra classes for all the

students to make them learn about competitive exams. We provide classes for the preparation of SSC, CG Vyapam, CTET, CGTET, PSC, and etc. to make them ready for upcoming competitive exams.

Skill development program:-

It aims to empower the youth by offering necessary skills and training to increase their chances of getting jobs in various sectors.

Career guidance program:-

We provide career guidance to all the students of undergraduate, diploma and post graduate students of our college to make them know about various career options available according to the course along with that

we visit various schools to provide career guidance to the students of class 12th of various streams.

Self employment program:-

Our college conducts self employment program for all the students to make them vocationally active. We learn them about Agarbatti making, Plant germination technique, Mushroom culture, Organic fertilizer training, Various types of pickles making, Craft works etc by which they can contribute to economic growth by inventing new products, production processes, distribution methods and employing other people of our society.
